Media Release

Adani Gas Limited signs Definitive Agreement for acquisition of 3 Geographical Areas (GAs), adding more than 1 Million households.

Ludhiana, Jalandhar – Amongst the largest MSME industrial bases in India

EDITOR'S SYNOPSIS

- Addition of these licenses AGL expands its footprints from 19 to 22 GAs. Additionally, 19 GAs with JV (IOAGPL) in partnership with IOCL. In aggregate Adani Gas expands its footprints to 74 Districts in India ensuring AGL leadership in CGD business in India.
- High Volume Potential of over **6.5 MMSCMD**
- Kutch (East), a center stage of new Industrial Development offering robust volume
- This acquisition offers more than 1 million households, more than 7 lacs CNG vehicles and a large number of industrial and commercial customers.

Ahmedabad, November 3, 2020:

Adani Gas Ltd. ["AGL"], has signed a Definitive Agreement for acquisition of 3 Geographical Areas namely Ludhiana, Jalandhar and Kutch (East).

All 3 GAs have high volumes potential in terms of demand of over 6.5 MMSCMD over a period 10 Years. These GA's are under Phase 1 of Bharat Mala Pariyojana by NHAI which will further boost the development and volume growth.

Ludhiana and Jalandhar are twin cities of Punjab and are major Industrial and Commercial hubs with very high-volume potential of CNG and PNG homes. Both Cities are in the vicinity of the pipeline connectivity.

Kutch (East) in Gujarat is poised to take centre stage for the Industrial Development in Gujarat. AGL has strong presence in Gujarat. Kutch (East) is well connected with pipeline and R-LNG terminal infrastructures making Kutch (East) an attractive destination for the development of CGD network.

Given the availability of pipeline connectivity in the surroundings, all the 3 GAs shall offer early monetisation opportunity to AGL.

With the addition of these 3 GAs, AGL shall now have a presence in 22 GAs as a standalone entity and additional 19 Gas with JV partner with IOCL aggregating its tally to 41 Gas (74 Districts) ensuring AGL's continued leadership in CGD Business in India.

The transaction is subject to necessary regulatory and other customary approvals.

The details on the acquisition and GAs have been annexed herewith.

Speaking on the occasion,

Mr. Suresh P Manglani, CEO, Adani Gas said, These 3 GAs offer high PNG and CNG volumes together with excellent infrastructure growth opportunities. Adani Gas tally of GAs shall now increase to 22 GAs. This transformational acquisition shall allow AGL to supply cleaner fuels - PNG in fulfilling much awaited aspirations of large number of homes, Commercial and Industrial consumers, Gurudwara, hotels, restaurants and environmental friendly CNG to automotive consumers in Ludhiana, Jalandhar and Kutch (East) GAs. This initiative by AGL shall further support the vision of central and state governments to provide PNG and CNG to all."

We will aim to fast track the infrastructure developments across all these GAs. These 3 GAs shall add significant high volumes and infrastructure developments and will take AGL to a high growth trajectory. With the strong parentage of AGL, the residents of Ludhiana, Jalandhar and Kutch (East) shall also be beneficiary of best in class CGD networks, operations, maintenance, digital and customer centric approach with continued focus on Health & Safety, community development and better returns to the stakeholders.

About Adani Gas

Adani Gas Limited is one of India's leading private players in developing City Gas Distribution (CGD) networks to supply Piped Natural Gas (PNG) to Industrial, Commercial, Domestic (residential) customers and Compressed Natural Gas (CNG) to the transport sector. Given its gas distribution mandate catering to 38 Geographical Areas (GAs) which accounts for 8% of India's population, AGL plays a significant role in the nation's efforts in enhancing the share of natural gas in its energy mix. Of these 38 GAs, 19 are managed by AGL and the rest are managed by Indian Oil-Adani Gas Private Limited (IOAGPL) – a 50:50 joint venture between Adani Gas Limited and Indian Oil Corporation Limited.
